

END OF 2022 FIRST TERM NEWS LETTER

Dear Parents and Parents

We have come to the end of yet another busy term here at school, when we had online and on – site learning running concurrently.

Website and Social Media

We are pleased to inform you that we now have a vibrant web and social media presence. Our website address is www.ultimateacademy.co.zw and our Instagram and Facebook accounts are The Ultimate Academy Kadoma and The Ultimate Academy Mash West respectively.

We urge you all to follow the social media accounts and to constantly log in to the website for the purpose of being abreast with special announcements, current and upcoming events at the school.

Attendance and Punctuality

Please, ensure that your child attends school and arrives in time and also that they have everything that they need while at school. If you or your child has any symptoms of Coronavirus, the child must not come to school until a negative test has been confirmed. If a person has contact with someone who has tested positive, they must isolate for 10 days.

School Bus Service

Related to the issue of punctuality is the issue of the school bus service that the school has introduced. The bus service was introduced following the late arrival of many students because of transport problems currently faced in Kadoma. At the moment the service has been temporarily halted to allow parents make the payments of 20 USD per month. **Services will resume on the second term opening day 03 May 2022.** The pick up and drop off points would be as follows: Rimuka (Machipisa Traffic Circle, Game park, Post Office and Methodist Church), Ingezi , Pixie Combie and Patchway.

The parents and guardians are kindly urged to make payments before the third of May so that bus services resume on this particular day.

April School Holiday Classes

As was announced in the Annual General Meeting held on 18 March 2022, there is going to be compulsory online and in person classes for form four and form six students from 19 April to 29 April. During the said period, students will be engaged in doing CALA. Thus, it is a must that all the fourth formers and sixth formers be in attendance. Dressing will be strictly complete school uniform. Lessons start at 0800 HRS – 1300 HRS. A mandatory online fee of 20 USD is required per child.

School Fees Payment

With the exception of only a few, the majority of the parents and guardians managed to meet their financial obligations for the first term in full. That is quite commendable. Note that school fees should be paid in full on or before the opening day of each term.

End Of Term Results

As a matter of policy, the school send end of term results for students directly to the parent or guardian via WhatsApp or email. Those without access to WhatsApp or email should visit the school and get hard copies of the results.

Thank you, and may God bless you all.
